## Cambridge Outdoor Club

One of the prettiest naturist clubs in the country. The club was founded over 40 years ago and is in the heart of the countryside between Cambridge and Ely, both steeped in their own history with many places of interest. Our members come from near and far to enjoy the lifestyle.

This could be you so read on!

We have a mixed membership of families, couples and singles who enjoy each other's company, and if you wish there are more peaceful spots in this lovely place, The Orchard! Work continues year on year to improve the facilities for our members.

The site is a beautiful mix of lawns, trees and flower beds, and if you feel like a bit more activity then Boules and Miniten courts are a few steps away from our Swimming Pool.

The BBQ is lit some evenings during the summer when members bring their own food to the flame and chat until the stars come out, or pop to the pavilion where we have a log burning fire and relaxing chairs for cold evenings and a well equipped kitchen that turns out fantastic food for the varied social calendar of events held throughout the year.

The club is busiest during the summer welcoming British and other naturists for day visits and short holidays as long as they have INF/BN or affiliated membership.

All types of camping can be accommodated for short stays, electric hook-ups are available on a first come first served basis. Unfortunately there is no holiday accommodation to rent, as the club is small in size. Intending visitors are asked to contact the Secretary to check whether space is available. Local village 1.5miles.

Our facilities include Club House, open-air pool, children's' play area, sauna, sun lawns, petanque and miniten courts. Members kitchen and shop with sweets, ice cream and drinks. Shower and toilet block. We are wheelchair friendly and have disabled facilities.

If you enjoy sunbathing or swimming naked come along and experience naturism. Why not contact our Membership Secretary for a free visit and enjoy the naturist lifestyle.
